WELCOME

FROM THE PRESIDENTS

Welcome to the 2022 AGC/SDLICA State Convention, we are thrilled to be back together and in-person for another of our flagship events! This event is an outstanding platform for each of us to build stronger relationships and develop new contacts. We want you to know how proud and privileged we feel, as the current Presidents, to lead the most committed construction professionals in the state of South Dakota! Together, we are an unbeatable force for sharing and discovering solutions to the many industry and regulatory challenges we face today. Your involvement and leadership in all three of our great Associations is crucial and we encourage you to become more engaged throughout the year.
